pokemon go

pokemon go is a Skill game on friv5. You can play Lego City: My City 2 in your browser for free. Pokémon GO has now introduced social and trading features that allow Trainers to connect with each other by adding friends, sending Gifts, and participating in a new Friendship Level system that unlocks bonuses. Trainers can now trade Pokémon with other Trainers nearby, earning a Candy Bonus for the Pokémon received.

Join Trainers across the globe who are discovering Pokémon as they explore the world around them. Pokémon GO is the global gaming sensation that has been downloaded over 800 million times and named "Best Mobile Game" by The Game Developers Choice Awards and "Best App of the Year" by TechCrunch.

Venusaur, Charizard, Blastoise, Pikachu, and many other Pokémon have been discovered! Pokémon are out there, and you need to find them. As you walk around a neighborhood, your smartphone will vibrate when there's a Pokémon nearby. Take aim and throw a Poké Ball... You'll have to stay alert, or it might get away!

With the Poké Ball Plus, you can also take one of your favorite Pokémon from these games for a stroll as you go about your daily life in the real world. The Poké Ball Plus even works as a Pokémon GO Plus when playing Pokémon GO.

Search far and wide for Pokémon and items

Certain Pokémon appear near their native environment—look for Water-type Pokémon by lakes and oceans. Visit PokéStops and Gyms—found at interesting places like museums, art installations, historical markers, and monuments—to stock up on Poké Balls and helpful items.

Catching, hatching, evolving, and more

As you level up, you'll be able to catch more-powerful Pokémon to complete your Pokédex. You can add to your collection by hatching Pokémon Eggs based on the distances you walk. Help your Pokémon evolve by catching many of the same kind. Choose a Buddy Pokémon to walk with and earn Candy that will help you make your Pokémon stronger.

Compete in epic Gym battles

You'll join one of three teams and battle for the ownership of Gyms with your Pokémon at your

side. As your Charmander evolves to Charmeleon and then Charizard, you can battle together to defeat a Gym and assign your Pokémon to defend it against all comers.

Team up to defeat powerful Raid Bosses

A Raid Battle is a cooperative gameplay experience that encourages you to work with up to 20 other Trainers to defeat an extremely powerful Pokémon known as the Raid Boss. If you succeed in defeating it in battle, you'll have the chance to catch an extra powerful Pokémon of your own!

Rating: 4.3 / 5 ( 76 Total Ratings)

## bonus betobet :betano como funciona

Ninja Mouse is a puzzle platform game in which you are a cute mouse scavenging for food. Infiltrate houses and find cheese by going through cabinets, drawers, closets, couches, safe boxes, and pretty much anything that you can interact with! There are jumping puzzles, obstacles, traps, and most importantly clever cats waiting to catch you on the spot red handed. Avoid their gaze, time and plan your moves well, and strike whenever no one is looking. If you can't sneak past a cat, jump and step on its head to disarm it. Try to collect as many stars as you can, because getting all 150 will unlock a special bonus level, and you will like that surprise. And don't forget, you can skip a level if you get stuck. Do you have the skills to collect every star and wedge of cheese?

How to play Ninja Mouse?

Move left/right - A/D or Arrow keys

Jump - W or Up Arrow

Interact - E

Conheça este excelente bônus de poker on-line e comece a jogar
